HMORN 2015 Detailed Conference Schedule

Revised March 4, 2015

Key:
Hyatt = Hyatt Regency Long Beach
The Regency Ballroom on Upper Level, 4th Floor and Seaview, Shoreline, Pacific and Harbor meeting rooms on the Lower Level 1st Floor. The Regency Club Board room is on the 16th Floor.
200 S Pine Ave, Long Beach, CA 90802

LBCC = Long Beach Convention Center, Room 104 and 104 Foyer
From the Hyatt Mezzanine Level, walk outside across the patio to the first set of LBCC doors. Adjacent to the Hyatt.

Monday, March 9 – Pre-Conference
4:00 pm – 6:00 pm Registration  Hyatt Regency Foyer

Tuesday, March 10 – Pre-Conference (No group meals on this day)
8:00 am – 5:00 pm Board of Governors Meeting (closed)  Regency B
8:00 am – 6:00 pm Registration       Regency Foyer
9:00 am – 6:00 pm Mental Health Research Network Steering Committee (open) Seaview BC
9:00 am – 6:00 pm CRN Scholars (by invitation)   Shoreline AB
9:30 am – 6:00 pm CRN Scholars Meeting (by invitation only)  Shoreline AB
1:00 pm – 5:00 pm  VDW Implementation Group (open)  Regency A

Wednesday, March 11 – Conference Day 1
6:30 am – 5:00 pm  Registration       Regency Foyer
7:15 am – 8:15 am   Breakfast     Seaview & Regency Foyers
8:30 am – 9:45 am Plenary Session #1     LBCC Rm. 104
"Research-Operations Partnerships To Improve Care"
Panelists:
  o Jonathan Darer, MD, MPH, Director, Institute for Advanced Application Center for Clinical Innovation, Chief Innovation Officer for the Division of Clinical Innovation, Geisinger Health System
  o Robert Reid, MD, PhD, Senior Investigator, Group Health Research Institute, Medical Director for Research Translation, Group Health Cooperative
  o Nirav Shah, MD, MPH, Senior Vice President and Chief Operating Officer, Clinical Operations, Kaiser Permanente Southern California
  o Leif Solberg, MD, Associate Medical Director, HealthPartners Medical Group; Clinical Director, Care Improvement Research, HealthPartners Research Foundation
10:00 am – 11:15 am Poster Session #1     LBCC Rm. 104

</table>

**A1: Affordable Care Act**

**Moderators:** Adam Sharp, MD, MS, Research Scientist, Kaiser Permanente Southern California, Department of Research & Evaluation; Debra Ritzwoller, PhD, Economist and Health Services Researcher, Kaiser Permanente Colorado, Institute for Health Research

**A1-1:** *A proactive diabetes panel management approach: can it work and how does it work in a health care delivery system?*

**Presenter:** Anny Hui Xiang, Kaiser Permanente Southern California, Department of Research & Evaluation

**A1-2:** *Who is Coming to Kaiser? A Comparison of the Characteristics of Estimated Eligible to Purchase Insurance through Colorado’s Marketplace to Kaiser Permanente Colorado New Members*

**Presenter:** Jennifer Barrow, MSPH, Kaiser Permanente Colorado Institute for Health Research

**A1-3:** *Medicaid Expansion and the Affordable Care Act: Data from the first year of enrollment at Kaiser Permanente Northern California*

**Presenter:** Mark Lin, MD, Kaiser Permanente Northern California, Division of Research

**A1-4:** *Increasing Preventive Care with Expanded Medicare Coverage under the Affordable Care Act*

**Presenter:** Sukyung Chung, PhD, Palo Alto Medical Foundation Research Institute (PAMFRI)

**A2: Health Disparities**

**Moderators:** Karen Coleman, PhD, Kaiser Permanente Southern California, Department of Research & Evaluation; Christine Neslund-Dudas, PhD, Public Health Sciences,
A2-1: *Do clocks move in different speeds? Cultural variation in the satisfaction of wait time in outpatient clinics*
**Presenter:** Sukyung Chung, PhD, Palo Alto Medical Foundation Research Institute (PAMFRI)

A2-2: *Race-Ethnic Differences in Kaiser Permanente Northern California (KPNC) Seniors’ Access and Preferences for Using the Web for Health Information and Health-Related Transactions, 2013*
**Presenter:** Nancy Gordon, ScD, Kaiser Permanente Northern California, Division of Research

A2-3: *Financial Hardship among Working-Age Cancer Survivors: Medical Debt and Bankruptcy*
**Presenter:** Matthew (Mateo) P. Banegas, PhD, MPH, National Cancer Institute, National Institutes for Health

**Presenter:** Nancy Gordon, ScD, Kaiser Permanente Northern California, Division of Research

A2-5: *Are race/ethnicity and comorbid conditions associated with pregnancy intention status?*
**Presenter:** Mary Ann Armstrong, MA, Kaiser Permanente Northern California, Division of Research

A3: *Chronic Conditions*
**Moderators:** Craig Cheetham, PharmD, MS, Kaiser Permanente Southern California, Department of Research & Evaluation; Melissa Simpson, DVM, PhD, Marshfield Clinic

A3-1: *Impact of Comorbidity Dyads on Heart Failure Treatment in Older Persons*
**Presenter:** Jerry Gurwitz, MD, Meyers Primary Care Institute

A3-2: *Do Patients with Multiple Chronic Conditions (MCC) Experience the Same Care as Patients with Fewer Chronic Illnesses? Insights from Videos of Primary Care Office Visits*
**Presenter:** Ming Tai-Seale, PhD, MPH, Palo Alto Medical Foundation Research Institute (PAMFRI)

A3-3: *Higher Prevalence of Insulin Resistance among Asian Americans despite Lower Body Mass Index*
Presenter: Jia Pu, PhD, Palo Alto Medical Foundation Research Institute (PAMFRI)

A3-4: Bisphosphonate Drug Holiday and Fracture Risk
Presenter: Annette Adams, PhD, MPH, Kaiser Permanente Southern California, Department of Research & Evaluation

A3-5: Anticholinergic medications and risk of community acquired pneumonia in older adults
Presenter: Kathleen Paul, MD, MPH, Group Health Research Institute

A4: Poster Discussion:

Care Improvement Research Seaview BC
Moderator: Michael K. Gould, MD, MS, Director of Health Services and Implementation Research, Kaiser Permanente Southern California, Department of Research & Evaluation

A4-1: Providing an Upstream Discussion in the Ambulatory Setting to Assist Chronic Kidney Disease Patients Considering Dialysis
Presenter: Craig Nelson, PhD, Bioethics, Kaiser Permanente South Bay Medical Center, Southern California

A4-2: The Making of a Champion: Through Standardization of Work in A Dynamic Tiered Team Care Model for Patients with Diabetes and Hypertension
Presenter: Ming Tai-Seale, PhD, MPH, Palo Alto Medical Foundation Research Institute (PAMFRI)

A4-3: Minimizing Medication Histories Errors for Patients Admitted to the Hospital Through the Emergency Department: A Three Arm Pragmatic Randomized Controlled Trial of Adding Admission Medication History Interviews by Pharmacists or Pharmacist-Supervised Pharmacy Technicians to Usual Care
Presenter: Joshua Pevnick, MD, Cedars-Sinai Health System

A4-4: Comparing Implementation Models across Two Kaiser Permanente Regions to Improve Outcomes for Patients with Comorbid Depression and Diabetes
Presenter: Arne Beck, PhD, Kaiser Permanente Colorado, Institute for Health Research

A4-5: Medically Complex Pediatric Patient Care Model: Coordinated team-based care with supporting health information technology to implement best practices and address care gaps of transitioning age patients and family caregivers
Presenter: Susan Snyder, Geisinger Health System
A4-6: System Alignment for Vaccine Delivery (SAVED): A technology-based intervention to improve influenza and pneumococcal vaccination

**Presenter:** Sarah Cutrona, MD, MPH, Meyers Primary Care Institute, University of Massachusetts Medical School

A4-7: Context and its Impact on Safety Net Clinic Leaders Attitudes about Prioritizing Quality Improvement Initiatives to Increase Colorectal Cancer Uptake

**Presenter:** Jennifer Schneider, MPH, Kaiser Permanente Northwest, Center for Health Research

A4-8: By Kimberly Vesco has been moved to B1-6.

A4-9: Bridging the Gap: Evaluating Osteoporosis Therapy Medication Orders vs. Pharmacotherapy Prescription Fills Following an Osteoporotic Fracture

**Presenter:** Jane Grafton, BA, Group Health Research Institute

---

**Thursday, March 12 – Conference Day 2**

6:15 am – 7:00 am Fun Walk/Run From Hyatt Front Door

7:00 am – 5:00 pm Registration Regency Foyer

7:15 am – 8:15 am Breakfast Seaview & Regency Foyers

7:15 am – 8:15 am PORTAL - CRC Cohort: Breakfast Reserve Table (open) Regency Foyer

7:15 am – 8:15 am DatStat User & Interest Group Breakfast (open) Shoreline AB

8:30 am – 9:45 am Plenary Session # 2 LBCC Rm. 104

“Funding Priorities and Opportunities in Delivery System Science, Comparative Effectiveness Research and Implementation Science”

**Moderator:**

**Panelists:**

- Steven Clauser, PhD, MPA, Program Director, Improving Healthcare Systems, Patient-Centered Outcomes Research Institute (PCORI)
- Ann Geiger, MPH, PhD, Acting Associate Director, Healthcare Delivery Research Program, DCCPS/NCI
- David Chambers, DPhil, Deputy Director, Implementation
10:00 am – 11:15 am Poster Session # 2
Chronic Conditions, Child Health, Genetics,
Mental Health, PCOR, Health IT, Statistics, VDW

11:30 am – 1:15pm Luncheon, State of the Network & HMORN Town Hall Meeting
State of the Network:
Jerry Gurwitz, MD, Executive Director,
Meyers Primary Care Institute, Reliant Medical Group and
University of Massachusetts Medical School,
Chair, HMORN, Governing Board
John Steiner, MD, MPH, HMORN Immediate Past Chair
Institute for Health Research, Kaiser Permanente Colorado
Town Hall Panelists: HMORN Executive Committee

1:15 pm – 2:15 pm RA/IRB Special Joint Session: Pragmatic Trials (open)
1:30 pm – 3:00 pm Concurrent Sessions B 1 – B 4
B1: Care Improvement Research
Moderators: Michael K. Gould, MD, MS, Director of Health
Services and Implementation Research, Kaiser Permanente
Southern California, Department of Research & Evaluation; Arne
Beck, PhD, Director of Quality Improvement and Strategic
Research, Kaiser Permanente Colorado, Institute for Health
Research; Adam Sharp, MD, MS, Research Scientist, Kaiser
Permanente Southern California, Department of Research &
Evaluation
B1-1: Comparison of organizational context across HMORN members
Presenter: Wayne Psek MD, MBA, PhD, Academy Health Delivery
System Science Fellow, Geisinger Health System

B1-2: Acceptance and Adoption of Lean Redesigns Among Frontline Providers in Primary Care
Presenter: Dorothy Hung, PhD, MPH, Palo Alto Medical
Foundation Research Institute (PAMFRI)

B1-3: Implementing a Transitional Care Program for Older Adults at High-Risk for Readmission
Presenter: Dorothy Hung, PhD, MPH, Palo Alto Medical
Foundation Research Institute (PAMFRI)

B1-4: Interventions to reduce hospital-associated infections: comparative efforts at one HMORN site and a local veterans affairs facility
**Presenter:** John Zeber, PhD, Co-Director, Health Outcomes Core – Baylor Scott & White Investigator and IRB Chair, Central Texas VA

**B1-5:** *Cluster-Randomized Trial of Enhanced versus Standard Implementation Strategy to Improve Collaborative Care Uptake and Patient-Level Utilization Outcomes*

**Presenter:** Jeannette Waxmonsky, PhD, University of Colorado

**B1-6:** (Formerly A4-8) *Design and implementation of a clinician-focused intervention to improve diagnosis and management of symptomatic vulvovaginal atrophy: Clinician-reported barriers*

**Presenter:** Kimberly Vesco, MD, PhD, Kaiser Permanente Northwest, Center for Health Research

**B2:** *Improving Cancer Care: Opportunities and Benefits*

**Moderators:** Virginia Quinn, PhD, MPH, Kaiser Permanente Southern California, Department of Research & Evaluation; Christine Neslund-Dudas, PhD, Assistant Research Scientist, Public Health Sciences, Henry Ford Health System

- **B2-1:** *Quality of Patient-Provider Communication among Cancer Survivors: Findings from a Nationally Representative Sample*
  
  **Presenter:** Neetu Chawla, PhD, MPH, Kaiser Permanente Northern California, Division of Research

- **B2-2:** *Diffusion of New Technologies for Patients with Prostate Cancer*
  
  **Presenter:** Ramzi Salloum, PhD, University of South Carolina

- **B2-3:** *Care coordination practices among providers managing HER 2+ breast cancer patients in an integrated delivery setting*
  
  **Presenter:** Neetu Chawla, PhD, MPH, Kaiser Permanente Northern California, Division of Research

- **B2-4:** *An economic evaluation of colorectal cancer screening in primary care practice*
  
  **Presenter:** Richard, Meenan, PhD, Kaiser Permanente Northwest, Center for Health Research

- **B2-5:** *Randomized Trial of In-Home Cervical Cancer Screening in Under-screened Women*
  
  **Presenter:** Diana Buist, PhD, MPH, Group Health Research Institute

**B3:** *HMORN 101: Networks and Scientific Interest Groups*

**Moderator:** Jerry Gurwitz, MD, Meyers Primary Care Institute; HMORN 2015-16 Board Chair
B3-1: The CRN Scholars Program: Career Development within CRN
**Presenter:** Matthew (Mateo) P. Banegas, PhD, MPH, National Cancer Institute, National Institutes for Health

B3-2: The New HMORN-OAICs AGING Initiative
**Presenter:** Jerry Gurwitz, MD, Meyers Primary Care Institute
- Cancer Research Network
- Mental Health Research Network
- Addiction Interest Group
- Patient and Stakeholder Engagement Interest Group

B4: Qualitative Methods
**Seaview BC**
**Moderators:** Erin Hahn, Erin E. Hahn, PhD, MPH, Research Scientist, Kaiser Permanente Southern California, Department of Research & Evaluation; Carmit McMullen, PhD, Kaiser Permanente Northwest, Center for Health Research

B4-1: Problematic Events in Critically Ill Patients: The Perspectives of Surrogate Decision-Makers
**Presenter:** Kathleen Mazor, Meyers Primary Care Institute

B4-2: Improving lifestyle interventions for people with serious mental illnesses: Qualitative results from the STRIDE study
**Presenter:** Scott Stumbo, MA, Kaiser Permanente Northwest Center for Health Research

B4-3: Interviews with Patients Offered Lung Cancer Screening in Primary Care: Lessons in How Screening May Influence Smoking Cessation
**Presenter:** Steven Zeliadt, PhD, Group Health Research Institute

B4-4: System Alignment for Vaccine Delivery (SAVED): Qualitative interviews inform a technology-based intervention to improve influenza and pneumococcal vaccination rates
**Presenter:** Sarah Cutrona, MD, University of Massachusetts Medical School

B4-5: An In-Depth Interview Study of Immunization Providers to Understand Practice Patterns, Barriers and Facilitators for Administering the 3-Dose HPV Vaccine Series
**Presenter:** Melissa Preciado, MPH, Kaiser Permanente Southern California, Department of Research & Evaluation

2:30 pm – 5:30 pm
**HMORN Research Administrators Forum:**
Annual Meeting
**Shoreline AB**

3:00 pm – 5:00 pm
**Aging SIG & "AGING" Initiative (open)**
**Regency C**

3:15 pm – 4:15 pm
**Evaluation SIG (open)**
**Regency A**

3:15 pm – 4:15 pm
**Head and Neck Cancer SWG (open)**
**Harbor BC**

3:15 pm – 4:15 pm
**PORTAL Steering Committee (closed)**
**Pacific**

Presenter: Christine Joseph, PhD, Henry Ford Health System

C1-5: Evaluation of Knee Arthroscopy as a Low-value Intervention for Treatment of Meniscal Damage in Patients with Osteoarthritis

Presenter: Mary Helen Black, PhD, MS, Kaiser Permanente Southern California, Department of Research & Evaluation

C2: Health Informatics I: Innovation and Communication

Moderators: Nazia Rashid, PharmD, MS, Health Economics and Outcomes Research Scientist, Kaiser Permanente Southern California; Marc Williams, MD, Director of Genomic Medicine Institute, Geisinger Health System

Revised Presentation Order:

C2-3: Categorizing Patient-Provider Secure Email Communications to Measure Substitutionary Effect on In-person Services

Presenter: Ted Palen, PhD, Kaiser Permanente Colorado, Institute for Health Research

C2-1: Measuring the Rise of Mobile and Online Care: Promises and Challenges in Big Data

Presenter: Luesa Jordan, Group Health Research Institute

C2-2: How the provenance of electronic health record data matters for research: a case example using system mapping

Presenter: Sharon Fuller, BA, Group Health Research Institute

C2-4: Patient-initiated secure messaging: Effects on chronic care process and clinical outcomes in a natural experiment

Presenter: Ming Tai-Seal, PhD, Palo Alto Medical Foundation Research Institute (PAMFRI)

C2-5: Using Natural Language Processing to Identify Health Plan Beneficiaries with Pulmonary Nodules

Presenter: Farhood Farjah, MD, University of Washington

C3: Mental Health Care

Moderators: Karen Coleman, PhD, Research Scientist II, Kaiser Permanente Southern California, Department of Research & Evaluation John Zeber, PhD, Co-Director, Health Outcomes Core – Baylor Scott & White

C3-1: Smoking Prevalence and Use of Cessation Medications among Patients with Psychiatric Disorders in an Integrated Health Care Delivery System: A Case-Control Study

Presenter: Kelly Young-Wolff, PhD, Kaiser Permanente Northern California, Division of Research
C3-2: Removing barriers to preventive care for people with serious mental illnesses: Preliminary results from the PRIME study
**Presenter:** Bobbi Jo Yarborough, PhD, Kaiser Permanente Northwest, Center for Health Research

C3-3: Diabetes Mellitus and Rheumatoid Arthritis Predict Depression Disorder Diagnosis in Non-elderly Adults in Primary Care Settings
**Presenter:** Euijung Ryu, PhD, Mayo Clinic

C3-4: Low reach of four different alcohol screening approaches in the absence of population-based screening: Results from one large integrated health care system
**Presenter:** Gwen Lapham, PhD, MPH, Group Health Research Institute

C3-5: Single-item Screens for Prescription and Illicit Drug Misuse Largely Identifies Primary Care Patients with Unrecognized Drug Use.
**Presenter:** Katherine Bradley, MD, Group Health Research Institute

C4: Poster Discussion:
**Improveing Cancer Care**
**Moderators:** Virginia Quinn, PhD, MPH, Kaiser Permanente Southern California, Department of Research & Evaluation; Pamala Pawloski, PharmD, HealthPartners Institute for Education and Research; Matthew (Mateo) P. Banegas, PhD, MPH, National Cancer Institute, National Institutes for Health

C4-1: Trends in Estrogen Receptor Testing and Tamoxifen Initiation after Ductal Carcinoma in situ (DCIS) during 1996-2011
**Presenter:** Hazel Nichols, PhD, University of North Carolina

C4-2: Reducing Colorectal Cancer Mortality- The e-Autopsy Tool
**Presenter:** Joanne Shottinger, MD, Kaiser Permanente Southern California Department of Research & Evaluation

C4-3: Tamoxifen and Antidepressant Drug Interactions in a Large Cohort of Breast Cancer Survivors
**Presenter:** Reina Haque, PhD, MPH, Kaiser Permanente Southern California Department of Research & Evaluation

C4-4: Withdrawn

C4-5: Adverse Effects of Fecal-based Colorectal Cancer Screening
**Presenter:** Grace Clarke-Hillyer, Ed, MPH, Mailman School of Public Health, Columbia University
C4-6: Data Mining via the Electronic Medical Record to Identify Inherited Colorectal Cancer in an HMO Patient Population  
**Presenter:** Monica Alvarado, MS, Kaiser Permanente Southern California, Department of Genetics

C4-7: Use of imaging for staging of localized breast cancer in two integrated health care systems: Adherence with a Choosing Wisely recommendation  
**Presenter:** Erin Hahn, PhD, MPH, Kaiser Permanente Southern California, Department of Research & Evaluation

C4-8: Implementing a multi-site, trans-disciplinary case-control study to assess the effectiveness of screening colonoscopy for preventing death from colorectal cancer (SCOLAR)  
**Presenter:** Tracy Becerra, PhD, MPH, Kaiser Permanente Southern California, Department of Research & Evaluation

C4-9: Using Tumor Registry and Electronic Medical Record Databases to Determine Incidence of Uterine Sarcoma and Occult Malignancy within an Integrated Health Care System  
**Presenter:** Ted Palen, MD, PhD, Kaiser Permanente Colorado, Institute for Health Research

C4-10: Characterizing longitudinal patterns of breast cancer care  
**Presenter:** Caroline Thompson, PhD, MPH, Palo Alto Medical Foundation for Healthcare, Research and Education (PAMFRI)

9:30 am – 11:45 am  Proposal Submission Lessons Learned & Best Practices (open)  

10:15 am – 11:45 am Concurrent Sessions D1 – D 4  

**D1: Health Services Research**  
**Moderators:** Huong Nguyen, PhD, RN, Kaiser Permanente Southern California Department of Research & Evaluation; Wayne Psek MD, MBA, PhD, Geisinger Health System

D1-1: Primary care provider perspectives on reducing low value care  
**Presenter:** Diana Buist, PhD, MPH, Group Health Research Institute

D1-2: Risk Stratification and Population Management: Validation of the Patient Stratification Model Based on Electronic Health Record  
**Presenter:** Irina Haller, MD, Essentia Health

D1-3: Linking Medication Orders to Prescription Fills: Lessons from HMO Enrollees Applicable to PPO Patients  
**Presenter:** Su-Ying Liang, PhD, Palo Alto Medical Foundation Research Institute
D1-4: *Severe obesity on labor and delivery: variation in hospital resources among California hospitals*
**Presenter:** Daniele Feldman, MD, Cedars-Sinai Medical Center

D1-5: *The Risk of Subsequent Concussion or Reconcussion Among Youth Participating in Sports*
**Presenter:** Debbie Postlethwaite, RNP, MPH, Kaiser Permanente Northern California, Division of Research

D2: **Health Informatics II: VDW and Beyond**  
**Modulators:** Chun Chao, PhD, Kaiser Permanente Southern California, Department of Research & Evaluation; Mark Hornbrook, PhD, Kaiser Permanente Center for Health Research

D2-1: *ICD-10, A Transition That’s Already Happening*
**Presenter:** Alan Bauck, MBA, Kaiser Permanente Northwest, Center for Health Research

D2-2: *Linking mothers and infants within electronic health records: a comparison of deterministic and probabilistic algorithms*
**Presenter:** Sascha Dublin, MD, PhD, Group Health Research Institute

D2-3: *Increasing Efficiency in Creating High Level Site Comparisons and Populating Cohort Flow Diagrams: The “Cohort Diagram” Macro*
**Presenter:** Heather Tavel, MPH, Kaiser Permanente Colorado, Institute for Health Research

D2-4: *EHR ICD-9 based markers for decompensated cirrhosis in patients with viral hepatitis*
**Presenter:** Mei Lu, PhD, Henry Ford Health System

D2-5: *Rapid, Active Surveillance for Medically-Attended Acute Gastroenteritis and Norovirus Infection in a Managed Care Environment*
**Presenter:** Mark Schmidt, PhD, MPH, Kaiser Permanente Northwest Center for Health Research

D3: **Financial Incentives and Bending the Cost Curve**  
**Modulators:** Stephen Derose, MD, MSHS, Research Scientist, Kaiser Permanente Southern California, Department of Research & Evaluation; Frances Lynch, Kaiser Permanente Northwest, Center for Health Research

D3-1: *Value of Primary Care Diabetes Bundle Management: Long-Term Impact on Cost*
Presenter: Daniel Maeng, PhD, Geisinger Health System

D3-2: Estimating the Human Resource Costs of Developing and Implementing Shared Medical Appointments in Primary Care
**Presenter:** Cheryl Stults, PhD, Palo Alto Medical Foundation Research Institute (PAMFRI)

D3-3: Do Financial Incentives Encourage Health Plan Members to Complete Health Risk Assessments?
**Presenter:** Jason Block, MD, MPH, Harvard Pilgrim Health Care Institute

D3-4: The Role of Cost Information in Health System Decisions to Adopt New Services
**Presenter:** Frances Lynch, PhD, MPH, Kaiser Permanente Northwest, Center for Health Research

D3-5: Long-term Medical Care Costs of Breast, Prostate, Lung, and Colorectal Cancer for HMO Members
**Presenter:** Matthew (Mateo) P. Banegas, PhD, MPH, National Cancer Institute, National Institutes for Health

D3-6: Comparing the 10 Year Costs of Care for Cancer Patients Over and Under 65
**Presenter:** Maureen O’Keefe-Rosetti, MS, Kaiser Permanente Northwest, Center for Health Research

D4: Patient and Stakeholder Engagement  Seaview BC
**Moderators:** Nazia Rashid, PharmD, MS, Health Economics and Outcomes Research Scientist, Kaiser Permanente Southern California; Sarah Madrid, PhD, MA, Kaiser Permanente Colorado, Institute for Health Research, Co-Chair, Patient Engagement SIG

D4-1: Best Practices in Patient Engagement in Research: Creating an Engagement Checklist
**Presenter:** Sarah Madrid, PhD, MA, Kaiser Permanente Colorado, Institute for Health Research, Co-Chair, Patient Engagement SIG

D4-2: Building Infrastructure to Engage Patients, Families and Members in Research within a Learning Health Organization
**Presenter:** Jane Duncan, MPH, Health Partners

D4-3: Developing a patient-facing report for delivering results after whole genome sequencing
**Presenter:** Alanna Rahm, PhD, MS, Geisinger Health System

D4-4: Partnering with Patient Advisors in the PORTAL Clinical Data Research Network
**Presenter:** Carmit McMullen, PhD, Kaiser Permanente Northwest,
D4-5: Engaging Patients as Stakeholders to Foster More Open Communication with Primary Care Providers  
**Presenter:** Ellis Dillon, PhD, Palo Alto Medical Foundation Research Institute

Noon – 1:15 pm  
Lunch & PCORI presentation  
**Presenter:** Steve Clauser, PhD, MPA, and Sarah Greene, MPH, Patient-Centered Outcomes Research Institute

1:30 pm – 2:30 pm Ancillary Meetings  

*Closing Day Notes:*
*Formal Program Ends at 1:15 pm Friday and Ancillaries at 2:30 pm.*
